

We want **YOU**

To help in this election

LVEA is asking YOU to help in this very important election. We **MUST** get Prop 55 passed. This extension of Prop 30 brings in desperately needed revenue to our district. Over the last three years Prop 30 has raised \$40.7 million for LVUSD alone. We will take any amount of time you have to help get the word out. We will be phone banking from the Ladyface Alehouse and Brasserie at the times below:
